attend required staff meetings. In addition, CHW graduate fellows are expected to work on-site in accordance with Suffolk employee expectations and policies. A typical work week utilizes the full 12 available hours for graduate fellows but there is flexibility across the year in scheduling. All fellows participate in required CHW orientation and training meetings during September.

Supervised by the Assistant Director of Wellness, this position works closely with CHW staff and the peer health educators (SUPERS) to plan, market and provide a variety of Wellness services, programs, presentations, and awareness campaigns for the Suffolk community. CHW Wellness programs address both emotional and physical wellness needs with a strong focus on the impact of identity and oppression in wellness and health. This position will contribute to all aspects of CHW Wellness services with a particular focus on serving law and graduate students. Some weekend or evening hours (5-7pm) are required. This position will facilitate weekly Wellness on Wheels programs at the law and graduate level as well as staff the Wellness Resource Center, interacting with students and maintaining the physical space. An important component of this work is the preparation of marketing and promotional materials, including social media posts.

CHW serves a diverse student body and candidates from all disciplines with an interest and commitment to inclusion and multicultural work in healthcare are encouraged to apply. This position requires some evening hours and is required to identify working hours which overlap with other
