BOSTON

*That Feeling When You*

**MAKE THE  
RIGHT MOVE**

TRANSFER TO SUFFOLK UNIVERSITY  
AND GET READY FOR THAT FEELING WHEN

# YOU'RE EXACTLY WHERE YOU NEED TO BE.

*"When I started looking at places to transfer to, Suffolk was the most encouraging for people from a wide variety of backgrounds. I could tell that Suffolk was going to be more willing to transfer credits. I was coming from a conservatory where my whole transcript was dance classes. I wanted to go somewhere that would value that."*

*Lucia Vilches | BS in Psychology '23*

Suffolk students are true originals who gain the confidence to think in bold new ways. Here, they dive into rich, **interdisciplinary studies** spanning our entire university. They go further faster in our **accelerated graduate degree programs**. They **become campus leaders in our 100+ student organizations**. And they do it all in the middle of a city filled with opportunities to put classroom studies to work in **jobs and internships** that surround our downtown campus.

It all starts when you schedule your campus visit or Transfer On-the-Spot Decision interview.

## WE MAKE IT EASY

Students transfer to Suffolk from all kinds of institutions, all over the country.

**Thirteen percent of Suffolk undergraduates** are transfer students—and **65 percent** of those students transfer from four-year schools.

They do it because we make it easy, with one-on-one academic advising, a special orientation just for transfer students, and an application fee waiver for applicants who visit us in person or virtually.
