

00:01 - Hi, my name is Dave Merry.  
00:03 I use he/him pronouns  
00:04 and I serve as the Associate Provost and Executive Director  
00:07 for the Center for Career Equity, Development and Success.  
00:10 Our team is committed to ensuring that every Suffolk student  
00:12 and alum has access to the resources that you need  
00:15 to reach your full career potential.  
00:17 We know that the world of work is one of the most  
00:19 significant places where inequity and bias can play out,  
00:21 and we're committed to closing those equity gaps,  
00:23 especially for first-generation students  
00:26 and students of color.  
00:27 So it's our job to support your career success  
00:30 through one-on-one career advising and coaching,  
00:33 networking and mentoring programs  
00:34 to help you build out your professional connections,  
00:37 job search and internship resources and tools,  
00:40 and support for building your unique professional brand.  
00:43 So I hope you take advantage  
00:44 of the career center as a resource,  
00:46 and I want to invite you to reach out to me directly  
00:48 if you're not sure where to start.  
00:49 Thanks so much.
