2011 – 2012 PROCEDURES FOR WITHDRAWING FROM ALL COURSES
TAKING A LEAVE OF ABSENCE OR WITHDRAWING FROM THE UNIVERSITY

Contact the Student Affairs Office
12 floor, 73 Tremont Street
617.573.8239 or studentaffairs@suffolk.edu

There may be times due to personal, medical or other reasons when a student may need to take a leave of absence or withdraw from the University. A leave of absence is taken when a student is away from the university for a portion of a term, a term or longer but intends to return to Suffolk to take classes in the future. A student may withdraw from the University when he/she no longer wishes to take courses for the current term or at any time in the future. Before a student decides to take a leave of absence or withdraw from the University, he/she is encouraged to speak with the Student Affairs Office to discuss options. Students should contact the Student Affairs Office at 617.573.8239 to schedule an in person or telephone appointment or email the office at studentaffairs@suffolk.edu.

Issues to Consider
There are a number of issues students must consider prior to taking a leave of absence or withdrawing from the University. Students must contact the appropriate office below if they answer “yes” to any of the following questions:

Is the student receiving financial aid from Suffolk University (grants, loans, work study, etc.)? If yes, the student must contact Student Financial Services at finaid@suffolk.edu or 617.573.8470.

Before making a decision to take a leave of absence or withdraw from the University, the student should be aware there may be financial implications. Students who withdraw from the University or take a leave of absence will be considered a withdrawal from the term for financial aid purposes. If the student withdraws prior to completing 60% of the term, the Office of Student Financial Services is required by federal and state regulations to recalculate the student’s eligibility for financial aid. In some cases, financial aid funds which may have been disbursed will need to be returned to federal and state programs. This could result in the student owning a balance to the University. In some cases, the student could also be ineligible for financial aid in the future.

Taking a leave of absence or withdrawing from classes may negatively impact a student’s satisfactory progress (SAP). A student who is not meeting the SAP standards may not be eligible to receive financial aid in future terms. Occasionally SAP requirements may be waived if mitigating circumstances prevented the student from meeting the requirements.

Undergraduate students should refer to the University’s SAP policy at www.suffolk.edu/admission/undergraduate/ugsap for additional information.

Graduate students should refer to the University’s SAP policy at http://www.suffolk.edu/admission/graduate/457.jsp for additional information.

Students awarded employment funding (i.e. work-study, a fellowship, an ambassador position, etc.) who take a leave of absence or withdraw from the University must stop working immediately.

Does the student owe Suffolk University money for tuition or other fees? If yes, the student must contact Student Accounts at 617.573.8407.

Is the student enrolled in Suffolk University’s student health insurance program? If yes, the student must contact Health & Wellness Services at 617.573.8260.

If a student takes a leave of absence or withdraws from the university during the first 31 days of the term, he/she is not eligible for the student health insurance plan and will receive a full refund of the premium. If a student takes a leave of absence or withdraws from the University after 31 days, he/she remains covered under the health insurance plan for the full period and no refund is permitted.

Is the student living in a Suffolk University residence hall? If yes, the student must contact Residence Life & Housing at 617.305.2500.

In order to live in campus housing, students must be registered for 12 or more credits. Students registered for less than 12 credits who wish to live in campus housing must meet with the dean of students, or designee, to request an exception to this policy. Exceptions may be granted on a case-by-case basis.

Is the student an international student with F-1 (I-20) or J-1 (DS-2019) status? If yes, the student must contact International Student Advsing at 617.573.8154.

Does the student have any I (Incomplete) grades?

Students on a leave of absence, who have previous Incompletes must finish those Incompletes by the date specified by the instructor. After one (1) year, any incomplete (I) grades negotiated with professors will turn into a failing grade (F*). A leave of absence does not extend a deadline for an incomplete (I) grade. Please read the Incomplete (I) grade policy located in the Academic Catalog.

TURN OVER FOR MORE INFORMATION
Current/Returning Students Wishing to Take a Leave of Absence
Students who are temporarily unable to continue their education at Suffolk University may apply for a leave of absence by submitting a leave of absence form to the Student Affairs Office. A leave of absence may be granted by the Student Affairs Office for two consecutive or two non-consecutive terms (excluding summers). A student applying for a leave of absence must give a definite date for return. Students on leave will be required to meet the degree requirements under which they were admitted or appropriate equivalences as determined by the University. A leave of absence may not be used for the purpose of taking academic courses at another institution with the intent of transferring the credits to Suffolk University.

Students requesting a leave of absence for military duty are permitted to extend their leaves of absence beyond two non-consecutive terms. After the Student Affairs Office has received a leave of absence form, the following will occur:

- The leave of absence request will be reviewed and approved or denied.
- If the request is denied, other options will be discussed with the student.
- If the request is approved, the student will receive a letter from the Student Affairs Office with the anticipated date of return and any specific issues the student must resolve before return.
- A student will continue to have an active e-mail account with the University for one year after the last term in which the student was registered. It is the student’s responsibility to periodically check for important University information including registration and financial aid deadlines.
- The student will receive information from the Registrar’s Office via e-mail concerning pre-registration for the term the student is expected to return.

Current/Returning Students Wishing to Return from a Leave of Absence
Undergraduate Students: When the student is ready to return from a leave of absence, the student is encouraged to contact his/her undergraduate program director.

Withdrawing from Classes Once the Fall or Spring Terms Have Begun
1. If a student withdraws from all courses, the student will be placed on a Leave of Absence for the semester.
2. Between Week 1 and Week 4 (actual dates are published in the academic calendar at www.suffolk.edu/calendar), a student may drop a course(s) on-line by logging onto MySuffolk. The course(s) will be totally removed from the student’s transcript.
3. Between Week 5 and Week 9 (actual dates are published in the academic calendar at www.suffolk.edu/calendar), a student may withdraw from a course(s) on-line by logging onto MySuffolk. The course(s) will remain on the student’s transcript and a W (for Withdrawal) will be entered on the transcript. A W does not impact a student’s GPA, but it may impact a student’s financial aid status. The student is encouraged to speak with Student Financial Services to discuss the financial aid implications of withdrawing from a course.
4. After Week 9 (the actual date is published in the academic calendar at www.suffolk.edu/calendar), a student may NOT withdraw from a course with the following exceptions:
   a. A student may withdraw from all courses at any time in the term by contacting the Student Affairs Office.
   b. The student will be automatically placed on a Leave of Absence for the term only. If the request is made between Week 1 and Week 4, all courses will be totally removed from the student’s transcript. If the request is made between Week 5 and Week 13, the courses will remain on the student’s transcript and a W (for Withdrawal) will be entered on the transcript.
   c. A student may petition for an individual Late Course Withdrawal from a course for extenuating medical or personal circumstances. This request must be submitted with complete documentation so the petition can be considered prior to the close of the term in which the course is taken. The student must submit a Late Course Withdrawal Form to the Student Affairs Office along with appropriate medical or personal documentation. If documentation is not submitted, the petition will not be considered. The student is encouraged to meet with the dean of students, or designee, if possible. The dean of students, or designee, will review the request and will approve or deny the petition.

The student may appeal the dean’s decision within 2 days of notification from the dean that the Late Course Withdrawal request has been denied. The decision will be emailed to the student’s Suffolk University email account and it is the student’s responsibility to check the account. The appeal will be reviewed by the Late Course Withdrawal Appeals Committee which may include representatives from Student Affairs, the Registrar’s Office, Student Accounts, Student Financial Services, Counseling, Disability Services, Health & Wellness Services and a representative from the student’s school or college. The decision of the Appeals Committee is final.

The University’s Refund Policy will determine refunds for withdrawals from courses once the term has begun. Please contact Student Accounts at 617.573.8407 for information about the Refund Policy.

Requesting a Late Course Withdrawal for a Course Taken in a Previous Term
Requests for late course withdrawals during the fiscal year following the term in which courses are taken will only be considered for extenuating medical or personal circumstances. The student must submit a Late Course Withdrawal Form to the Student Affairs Office along with appropriate medical or personal documentation. If documentation is not submitted, the petition will not be considered. The student is encouraged to meet with the dean of students, or designee, if possible. The dean of students, or designee, will review the request and will approve or deny the petition.

The student may appeal the dean’s decision. The appeal will be reviewed by the Late Course Withdrawal Appeals Committee which may include representatives from Student Affairs, the Registrar’s Office, Student Accounts, Student Financial Services, Counseling, Disability Services, Health & Wellness Services and a representative from the student’s school or college. The decision of the Appeals Committee is final. If a late course withdrawal is approved, a grade of W will be issued.
