17. Thinking about the foreign policy goals of the United States, please tell me how important it is that the U.S. helps other countries build democracies - would you say it should be a very important foreign policy goal, a somewhat important goal, not too important a goal or not an important goal at all?

17. Thinking about the foreign policy goals of the United States, please tell me how important it is that the U.S. helps other countries build democracies - would you say it should be a very important foreign policy goal, a somewhat important goal, not too important a goal or not an important goal at all?

17. Thinking about the foreign policy goals of the United States, please tell me how important it is that the U.S. helps other countries build democracies - would you say it should be a very important foreign policy goal, a somewhat important goal, not too important a goal or not an important goal at all?

17. Thinking about the foreign policy goals of the United States, please tell me how important it is that the U.S. helps other countries build democracies - would you say it should be a very important foreign policy goal, a somewhat important goal, not too important a goal or not an important goal at all?

17. Thinking about the foreign policy goals of the United States, please tell me how important it is that the U.S. helps other countries build democracies - would you say it should be a very important foreign policy goal, a somewhat important goal, not too important a goal or not an important goal at all?
