

CERTIFICATE OF FINANCES (COF) 2024 - 2025
For Law School International Applicants Page 1 of 5

All Applicants **MUST** complete all pages.

As required by federal law, this form is designed to verify your ability to fund the costs of your studies, and related expenses at Suffolk University, for one academic year. This form, and all required documentation, must be completed and submitted before we can issue your I-20 or DS-2019.

In order to be issued a Form I-20 OR DS-2019 from Suffolk University, students must demonstrate the financial ability to consider fund at least one year of academic and living expenses. This includes direct costs (tuition & fees, room & board) as well as indirect costs (books & insurance) that are associated with a Suffolk University education. The cost of attendance is estimated based on full-time enrollment status for a 9-month period. Undergraduate and Graduate full-time enrollment is between 12-17 credit hours per semester, while the minimum Law full-time enrollment is 9 credits per semester. The cost of attendance is subject to change each academic year.

This information pertains **ONLY** to the issuance of an I-20 or DS-2019. Costs are estimated for an average student for one academic year of study based on the current year's tuition rates for the fall and spring semesters. Please keep in mind that this is an estimate, and costs may vary based on your personal circumstances. To obtain a final tuition rate and a detailed invoice, please contact the Student Financial Services Office.

Please keep the following points in mind when submitting financial documentation with this form:

- All supporting financial documents/bank statements must be dated within six (6) months of your application, and must contain the logo and/or seal of the bank, your (or your sponsor's) full name, and the amount of funds available.
- All bank statements and documents must be in English or be officially translated to English. However, the amount of funds listed on statements may be in the currency of your home country and does not need to be listed in U.S. dollars.
- Electronic bank statements are acceptable, as long as they contain the date it was issued, the logo and/or seal of the issuing bank, your (or your sponsor's) full name, and the amount of funds available. While electronic bank statements are acceptable, "screen shots" of online banking sessions will not be accepted.
- In lieu of bank statements, you may submit a letter from your bank (on official bank letterhead) containing the date it was issued, your (or your sponsor's) full name, the length of the relationship with the financial institution, and the amount of funds available. Such letters must bear an official bank signature and bank seal.
- Scholarship letters/financial guarantees must contain an issue date, your full name, and the date the scholarship goes into effect.
- Real estate titles, stocks/investments that are not liquidable, lines of credit, salary statements, and loans are not acceptable for the purposes of this form.
- ***You should think about having this amount per year for the length of your program. Please confirm with the admission office if you have doubts about the length of your program.***
