# HBCU FULL-TUITION SCHOLARSHIP

## ABOUT THE SCHOLARSHIP

Suffolk Law launched the Thaddeus Alexander Kitchener Scholarship to make law school more affordable for students who demonstrate the ability to succeed in law school but who may not otherwise receive merit-based scholarships.

The scholarship is named for Thaddeus Alexander Kitchener, who was the first student of color to graduate with a law degree from Suffolk Law.

The Kitchener Scholarship is just one of the efforts undertaken by Suffolk Law to expand access to law school to students from diverse and nontraditional backgrounds.
